SUMMARY & VISION

I am a Creative with a mission. I believe the biggest challenges our planet faces can be solved through the power of inspired communication and thoughtful storytelling. With nearly a decade of art direction, design, and leadership experience, I am leveraging my skillset toward projects and organizations that strive to create a better planet, promote people and profit, and have a little fun while they're at it.

EXPERIENCE

Design & Brand Director

PLANET HOME

Managed the global design and brand teams, strategizing alongside the C-Suite to bring projects and goals from concept to completion. Coordinated with a global team to successfully launch the inaugural PLANET HOME 2019 flagship event with 10K+ attendees as well as a re-branded web identity.

Creative Director

The Sights And Sounds Media House

Founded a creative content agency that focused on capturing and producing raw, emotional, and immersive content. Led the creative and storytelling across all platforms, including a festival-nominated short film.

Freelance Art Director

Viro Design Lab

Developed the brand identity and name for the launch of WOATS Oatsnack. Designed and managed brand and packaging for Zico Coconut Water before their sale to Coca-Cola.

ECD, Co-Founder

Empact Labs

Co-founded an experiential creative agency focused on human centered design principles and socially responsible brands. Oversaw strategy and creative on a range of projects from the Global Solar Eclipse and Burning Man to the Nelson Mandela Foundation.

Jr. Art Director

MARC USA

From concept to production, worked alongside the ECD to create engaging, forward-thinking, and eye-catching campaigns for Payless Shoes, DePaul University, and True Value Hardware.

Founder, Editor-in-Chief

TheSightsAndSounds.com

Founded The Sights And Sounds Music Magazine with a readership of 10K+ per month and has previously been named one of the 100 World's Most Influential Music Blogs.
